**Miscellaneous Notes:** There are four Corporate Rewards programs – Amazon.com School Rewards, Giant Eagle Apples for the Students, Office Depot 5% Back to Schools, and Target Take Charge of Education. The Office Depot and Giant Eagle programs earn points for JMS to purchase merchandise. Dr Walsh makes the selections. In February, we received \$110 from Target, and so far we've earned \$63 towards our next deposit. We only have 11 Target participants, it would be nice to get that number up. The Amazon program has earned \$92 since August.
